SUMMARY OF RELEVANCE OF CITED NON-ENGLISH PRIOR ART

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

The prior art references, as indicated and including any non-English language prior art references, provide information defining the general state of the art which is not considered to be of particular relevance to the present invention. However, German Patent No. 196 29 011 is considered to be relevant to the issue of inventive step when each reference is considered alone.

These are the references as summarized by the International Search Report by the European Patent Office and provided by the WIPO.

Attached please find the enclosed Information Disclosure Form, PTO/SB/08A or its equivalent, as applied to the above-identified application.

Respectfully submitted,
